

SPS Band Facts

- If you are in band, you **CAN** participate in other **clubs & sports!**
- You do **NOT** need to already know how to **play** an instrument to join the band!
We will teach you how to play. Don't worry; Mr. Moran has taught guys how to play every instrument at every level. Your talent, or lack thereof, will not surprise him. He has seen (& heard) it all!
- You do **NOT** need to show up with an **instrument** on the first day!
You don't even need to know what you want to play. Come in, try some things & see what you like best.
- You do **NOT** need to know how to **dance!**
Surprisingly to most new guys, the dancing is one of the most fun parts - especially when the Golden Blues are assisting!
- You **DO** become a member of our Brotherhood!
When you join the Marching Wolves, you will also acquire about 100 new friends and be "taken under the wing" of a great group of SPS students.
- You **DO** get an **extra fine arts credit** for being in the band!
That's right & it also usually means an extra good grade for your GPA.
- You **DO** get **extra points** toward the **Golden Torch** award!
- It costs very **little money** to be in the band!
- The Marching Wolves are one of the **most requested bands** for **Mardi Gras parades** in New Orleans!
*We march in one St. Tammany parade, but we march in six New Orleans parades, including Rex! That's right! I bet you did not realize that just across the lake, the Marching Wolves are **famous**. And not to toot our own horns (so to speak) but **TOOT TOOT!!!** We are treated like **rock stars!** The crowds scream for us! We even have police escorts into the city and on the parade route. We must say... it is pretty cool being treated like celebrities!*
- The Marching Wolves **travel** - Disney Trip 2026!!
*Yep! Not only do we perform on the Northshore & the Greater New Orleans area, but we also perform in **Walt Disney World** every other year during the Easter break!*
- IT'S **FUN!!!!**
We have a blast! Come try it out & see for yourself!!!
